THE UNIVERSITY OF TRINIDAD AND TOBAGO

Our National University

10th Anniversary — The University of Trinidad and Tobago — Defining a Decade - Righting the Future

EDUCATION FOR EMPLOYMENT, ENTREPRENEURSHIP AND ECONOMIC DEVELOPMENT

Record Number of Graduates for UTT's 10th Anniversary

More than sixteen hundred (1600) graduates in over fifty (50) programme areas have joined the ranks of alumni of The University of Trinidad and Tobago (UTT), having graduated on Wednesday 12th or Thursday 13th November, 2014 at UTT's Graduation Pavilion, O'Meara Campus, Arima. Presiding over the two (2) Graduation ceremonies, was Chancellor of UTT, His Excellency Anthony Thomas Aquinas Carmona, ORTT, SC - President of the Republic of Trinidad and Tobago.

UTT celebrated the achievement of these graduates who are now equipped to impact diverse sectors which are critical to national growth and development. A record number of graduates of UTT's undergraduate and postgraduate programmes in Agriculture and Science, Information and Communication Technology (ICT), Education, Engineering, Fashion, Maritime, Marine Science, Performing Arts, Security and Public Safety, Sports, Carnival Studies, Environmental Science and Management as well as Health Administration, were on hand to receive their certificates, diplomas, bachelors and higher degrees. The year 2014 also saw the first cohort of graduates of the Bachelor of Fine Arts (BFA) in the Performing Arts programme.

Senator the Honourable Fazal Karim, Minister of Tertiary Education and Skills Training (MTEST) addressed the congregation of graduates, family, friends and supporters and stated that, "The University of Trinidad and Tobago has started initiatives that are innovative and forward-thinking [and] leads the region in many regards [as] skills and applied learning remain the mainstay of your undergraduate and postgraduate programmes". UTT's Chairman of the Board of Governors, Mr. Curtis R. Manchoon, further encouraged the graduates in their entrepreneurial endeavours as "[this] special occasion coincides with a time of great celebration and reflection, on the part of UTT as the University takes stock of the last ten years and plans for the future as the vision for our students and graduates [is] to create a culture ripe for the nation's economic growth and development".

Graduation 2014

Education with a global vision: Italian national, Mr. Matteo Tommaso Pagliardi, accepts the Master of Arts in Carnival Studies postgraduate degree from the University's Chancellor.

Top CARICOM graduate: Mr. Nugent John Bernard of Grenada receives his Bachelor of Science in Animal Science and Technology degree, at UTT's graduation ceremony.

Among the graduates, who numbered in excess of sixteen hundred (1600), over five hundred (500) were from the Bachelor of Education programme; more than seven hundred (700) from engineering related disciplines, and from programmes that catered to the creative industries, over one hundred and thirty (130) received their qualifications.

PROGRAMMES

- Certificate in Applied Engineering
- Certificate in Early Childhood Care and Education
- Certificate in Indian Classical Music Sangeet Prathama
- Certificate in Music Technology
- Certificate in Process Operations
- Certificate in Security and Public Safety
- Certificate in Sport Studies
- Artist Diploma in Music Performance
- Diploma in Agriculture
- Diploma in Agricultural Engineering
- Diploma in Animal Health, Production and Veterinary Public Health
- Diploma in Animation Studies
- Diploma in Fashion Design
- Diploma in Fashion Management
- Diploma in Forestry
- Diploma in Manufacturing Engineering Technology
- Diploma in Maritime Operations
- Diploma in Security and Public Safety
- Diploma in Software Engineering
- Diploma in Visual Communications Design
- National Engineering Technician Diploma in Chemical Engineering
- National Engineering Technician Diploma in Civil Engineering
- National Engineering Technician Diploma in Communications Engineering
- National Engineering Technician Diploma in Computer Engineering
- National Engineering Technician Diploma in Electrical/Electronic Engineering
- National Engineering Technician Diploma in Instrumentation Engineering
- National Engineering Technician Diploma in Mechanical Engineering
- National Engineering Technician Diploma in Petroleum Engineering
- Bachelor of Applied Science in Biomedical Engineering
- Bachelor of Applied Science in Civil Engineering Systems with Construction Engineering and Management
- Bachelor of Applied Science in Civil Engineering Systems with Environmental Engineering
- Bachelor of Applied Science in Civil Engineering Systems with Structural Engineering
- Bachelor of Applied Science in Computer Engineering
- Bachelor of Applied Science in Manufacturing and Design Engineering
- Bachelor of Applied Science in Petroleum Engineering
- Bachelor of Applied Science in Process Engineering
- Bachelor of Applied Science in Utilities Engineering
- Bachelor of Education
- Bachelor of Fine Arts in Fashion Design
- Bachelor of Fine Arts in the Performing Arts
- Bachelor of Science in Animal Science and Technology
- Bachelor of Science in Crop Science and Technology
- Bachelor of Science in Nautical Science / Maritime Operations
- Bachelor in Sport Studies
- International Master's in Sport for Development
- Master of Arts in Carnival Studies
- Master of Engineering in Petroleum Engineering
- Master's in Health Administration
- Master of Science in Environmental Science and Management
- Master of Science in Information and Communication Technology
- Master of Science in Operational Maritime Management
- Master of Science in Petroleum Engineering
- Master of Philosophy in Environmental Studies
- Master of Philosophy in Process Engineering
- Doctor of Philosophy in Petroleum Engineering
