

**THE UNIVERSITY OF TRINIDAD AND TOBAGO
PROFESSIONAL DEVELOPMENT UNIT (PDU)
THE CENTRE FOR TEACHING LEARNING AND INSTRUCTIONAL SUPPORT (TLIS)**

EVALUATION OF WORKSHOP

Objective: To provide the presenter with feedback about the effectiveness of the methods and materials used in the presentation.

Directions: In the **RIGHT** column below, please fill in the blanks with the number that **MOST ACCURATELY** describes your reactions to the statements given. Please respond as quickly as possible because your first impression is likely to be the most honest. Thank you.

LIKERT SCALE: a unidimensional scaling method that assumes that the concept to be measured is one-dimensional in nature.
